A Season Ticket is the easiest and most convenient way to book multiple shows at the Garrick Theatre. It offers a substantial discount over our standard prices and is transferable to other people if you think you might not be able to get to a show. A Season Ticket can **only** be purchased directly from the Garrick (either in person or by post); it is **not** available online, by phone or from the Stockport Plaza Box Office.

A Season Ticket costs just **£62.00**, which is a saving of almost **25%** over the standard price. It allows access to all seven main stage productions and the Youth Theatre show but **not** to the three smaller 'Studio' shows. After each main stage production we reduce the price so you can save money right up until the start of our final show. Best of all, book before **31 July 2018** and receive a further 'Early Bird' discount of £10.00, representing a cost of just **£6.50** per show!

THE 'FIXED' SEASON TICKET OPTION

The **Fixed** option is for booking the same seats on the same night for all of the shows. Just fill in the relevant sections of the form on the back of this leaflet, hand or post it in to us with the appropriate payment (*cheques should be made payable to 'Stockport Garrick Theatre Ltd'*) and your seats will be booked for the entire season. If your preferred seats have already been taken, we will place you as close to your requested position as we can. Please enclose a stamped, self-addressed envelope if ordering by post so we can let you know that your seats have been reserved. **Your seats for all the shows are then guaranteed** – all you need to do is turn up at the Garrick on the night of each show and pick up your tickets at the Box Office. Easy.

THE 'FLEXIBLE' SEASON TICKET OPTION

The **Flexible** option allows you to decide on a night and a seat closer to each production. Just fill in the relevant sections of the form on the back of this leaflet and hand or post it in with the appropriate payment (*again, please enclose a stamped, self-addressed envelope if ordering by post*). In return you'll receive a sheet of vouchers which you can redeem for tickets at a time of your choosing at either the Garrick or Plaza Box Offices for the night and seat of your choice. Please note that the vouchers are **not** redeemable over the phone or on our website and **only** for seats still open when booking. Many people who use the Flexible option book for the next show at our Box Office when they arrive to see the current production.

In both cases, tickets are transferable to a friend if there's a particular show you can't get to; your proxy simply needs to ask for the tickets in your name.

Tempted? Simply look up the relevant price in the table below and fill in the form overleaf. With your seats booked, all you need to do is sit back and enjoy a feast of quality drama.
