A Season Ticket is the easiest and most convenient way to book multiple shows at the Garrick Theatre. It offers a substantial discount over our standard prices and is transferable to other people if you can't get to a particular show. A Season Ticket can **only** be purchased directly from the Garrick (either in person or by post); it is **not** available online or by phone.

A Season Ticket costs just **£62.00**, which is a saving of almost **25%** over the standard price. It allows access to all seven main stage productions and the February Youth Theatre show but **not** to the three 'Studio' shows. After each main stage production we reduce the price so a Season Ticket can be purchased at any time in the theatre year and you will still save money. Best of all, book before **30 June 2019** and receive a further 'Early Bird' discount of £10.00, representing a cost of just **£6.50** per show! With our switch to the TicketSource ticketing system for next season, there are a few differences in how things will be organised compared to previous years – read on for full details.

THE 'FIXED' SEASON TICKET OPTION

The **Fixed** option is for booking the same seats on the same night for all of the shows. Just fill in the relevant sections of the form on the back of this leaflet, hand or post it in to us with the appropriate payment (*cheques should be made payable to 'Stockport Garrick Theatre Ltd'*) and your seats will be booked for the entire season. If your preferred seats have already been taken, we will place you as close to your requested position as we can. Please enclose a stamped, self-addressed envelope if ordering by post so we can let you know that your seats have been reserved. In the new system, your reservation will be placed on our Guest List and you will simply need to confirm your name with a Steward on the night to gain access to the auditorium. If you'd prefer to have your tickets printed and posted to you, let us know and we'll add them to the SAE. **Your seats for all the shows are then guaranteed** – all you need to do is turn up at the Garrick on the night. Easy.

THE 'FLEXIBLE' SEASON TICKET OPTION

The **Flexible** option allows you to decide on a night and a seat closer to each production. Just fill in the relevant sections of the form on the back of this leaflet and hand or post it in with the appropriate payment (*again, please enclose a stamped, self-addressed envelope if ordering by post*). In return you'll receive a sheet of tokens which you can redeem for tickets at a time of your choosing at the Garrick Box Office. Please note that tokens will no longer be accepted by the Stockport Plaza Box Office and are **not** redeemable over the phone or online. The tokens can only be redeemed for seats still available when booking. Many people who use the Flexible option book for the next show at our Box Office when they arrive to see the current production.

In both cases, tickets are transferable to a friend if there's a particular show you can't get to; your proxy simply needs to ask for the tickets in your name.

Tempted? Simply look up the relevant price in the table below and fill in the form overleaf. With your seats booked, all you need to do is sit back and enjoy a feast of quality drama.
